

## Article Processing Charge (APC)

AAAS/*Science* is pleased to provide multiple opportunities for authors to save on article processing charges (APC) through institutional, promotional, and AAAS membership offers.

The following APC savings calculation is for a AAAS Member receiving the maximum institutional APC savings of \$900\* plus an additional savings for early submission — valid through 31 October 2015.

### Author APC Savings Calculation

**\$3,000** APC for CC BY-NC License

**(\$900)** Institutional Savings

---

\$2,100 Subtotal

**(\$84)** AAAS Member Savings

---

\$2,016 Subtotal

**(\$504)** Inaugural Savings

---

**\$1,512** Discounted APC

#### **\*Maximum Institutional APC Savings of \$900 The Complete *Science* Collection**

Institutions subscribing to The Complete *Science* Collection must have a current site license to all e-Resources published by AAAS/*Science*:

***Science*** (1997–current issue)

***Science Express*** (pre-publication service)

***Science Classic*** (digital archive: 1880–1996)

***Science Signaling***

***Science Translational Medicine***
