

Science Careers Virtual Job Fair

September 20, 2017 | 10:00 am - 2:00 pm ET

Find Your Next Hire or Promote Your Program

Register now for this exciting virtual career fair where you'll get the chance to engage, screen, and recruit hundreds of your target candidates without leaving your desk.

Benefits of exhibiting

- Connect with candidates from the comfort of your own desk
- Showcase your employer brand online to your target audience
- Easy "build your booth" tools on our career fair platform.

Science Careers will also promote the event to:

- Over 129,559 AAAS members/subscribers of *Science*
- Over 313,000 Science Careers registrants
- Millions of visitors to ScienceCareers.org
- Universities around the world.
